## Rabbi's Message

by Rabbi Natan Halevy  
BSD

We read in the Haggadah: *This is the bread of poverty which our ancestors ate.*

We begin the Haggadah by emphasizing the power of G-d. Matzah serves as a symbol of memory. When we refer to the bread of affliction we are reminded that despite the fact that Pharaoh was so powerful that no slave ever escaped from Egypt, we were able to do so with the help of G-d. Matzah teaches us that we could not have escaped from Egypt on our own.

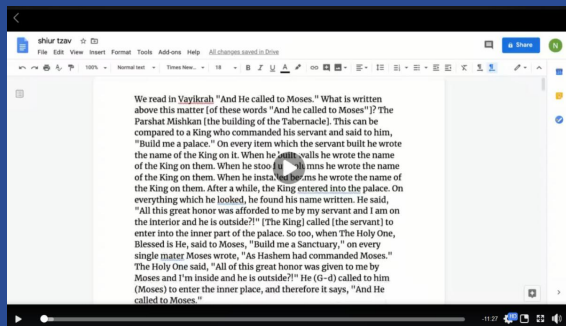

When we contemplate the meaning of Matzah which our ancestors ate and through which our ancestors merited G-d's blessings, we affirm that the hand of G-d is all-powerful, He is the creator of light and darkness. Matzah is not the food of slavery but an affirmation of G-d's providence, the One who creates everything.

In this challenging time, we have the opportunity to truly experience the wondrous spiritual experiences of this amazing holiday on a deeper level. We have the power to ascend to high spiritual levels. Pesach is a time of tremendous miracles and wonders. May we truly see miracles in our times, just as our ancestors in Egypt did so long ago.
